On the Court's own motion, the parties are directed to address the following questions during oral argument on April 7, 2009:

1) Whether the circuit court had jurisdiction over plaintiffs' claim or whether this was a "review of a final decision, finding, ruling, determination, or order of an agency relating to assessment, valuation, rates, special assessments, allocation, or equalization, under property tax laws," MCL 205.731, such that the Tax Tribunal had exclusive and original jurisdiction over this matter; and

2) If the Tax Tribunal did have exclusive jurisdiction, whether this Court has jurisdiction to hear this appeal, or whether the circuit court's order must be vacated for lack of jurisdiction.
